

## Croydon Council's Consultation...

At Croydon Council's Traffic Management Advisory Committee (TMAC) meeting on the 8th February 2017, it was agreed to informally consult with residents on prohibiting entry to Addiscombe Court Road **and/or** Canning Road from Addiscombe Road (making **one or both** exit only to motor vehicles).

The Council chose not to take into account the opinion of Canning and Clyde RA and TACRA, in the reports submitted to them, that they needed to come back with a better solution to mitigate the effects of their flawed Lebanon Road one-way imposition.

At the meeting, Addiscombe ward councillors all spoke in support the proposal to consult on changes to Addiscombe Court and Canning Roads. We thank them for their comments including - "Addiscombe Court, Tunstall and Canning Roads should not have to have heavy traffic for even one year" and "Lebanon Road tram stop is an accident waiting to happen". There is a high level of support in Addiscombe court and Tunstall roads for something to be done about the traffic.

In response to the highly restrictive consultation on the decision to make Lebanon Road one-way southbound only, this informal consultation will include all streets from Cherry Orchard Road to Ashburton Road including the Park Hill area as far as the A232.

### **The Consultation letter will be addressed 'Occupier' Have you seen it?**

The consultation exercise will take the form of questionnaires with pre-paid return envelopes to be returned to the Council by the **12th May 2017**. If you do not receive the letter and questionnaire, you can contact [Russell.Birtchnall@croydon.gov.uk](mailto:Russell.Birtchnall@croydon.gov.uk) or telephone him on 020 8726 6000 ext. 62178 and a new document will be delivered.

The results of this consultation will be discussed with local ward councillors and the cabinet member for Transport and Environment ahead of consideration at a future TMAC meeting.

**We urge all residents to complete the questionnaire when it is received. Please send it back to the council in the SAE provided with it. All views need to be heard and considered.**

### **This is an important next step, please take part!**

## Ward boundaries

### Deadline for comments by the 8th May 2017

The Local Government Boundary Commission is proposing changes to Council wards in the London Borough of Croydon to even up the number of people in each ward. We live in a relatively high density area.

The Commission is proposing that Tunstall and Addiscombe Court Roads be in a new Addiscombe West and Park Hill Ward. This would stretch west-east from the railway line to Elgin Road and north-south from Stretton Road to Coombe Road. The neighbouring proposed ward would stretch west-east from Havelock Road to Shirley Road and would be called Addiscombe East. The Local Government Boundary Commission is asking for views on where you most identify?

To find out more and / or express your views, please see information at local libraries or at <https://consultation.lgbce.org.uk/node/8775>.

## CLEAN AND GREEN DAY COMMUNITY CLEAN UP Sunday 23rd April, 12-3pm

Organised by Croydon Council, Could you spare ten minutes or more to make our environment nicer to live in? - Trim your hedge or tidy your garden, put a potted plant on your window sill, litter pick or clear an alley, weed round street trees.

Roads included are: Addiscombe Road (Chisholm to Canning), Addiscombe Court Road, Lebanon Road, Tunstall Road.

## SUMMER FAIR AT ST MARY MAGDALENE, CANNING ROAD

Saturday 15th July, 12-3pm

Local residents' associations and St Mary Magdalene Church are holding another summer celebration on Saturday the 15th July, 12-3pm. There will be stalls, opportunities to meet neighbours and fun activities for you and your children. We will be in touch nearer the time with more details

As TACRA, we will have a stall offering tasty cakes with all proceeds going towards supporting other activities in our streets that you would like to see happening. If you enjoy baking, bring something along to add to the stall.

Come along and meet some neighbours. This is a fun and friendly neighbourhood event held each year and all are welcome.
